TRANSPORT SECRETARIAT

NOTIFICATION

No : SARIE 54 SAEPA 2018, BENGALURU, DATED : 27.02.2018.

Whereas, the Government of Karnataka having satisfied itself that the 426 motor vehicles specified in the Annexure appended to this notification, belonging to M/s All India ODC Transport Association, Chennai are required for transportation of raw materials, rotor blades, hubs, nacelles, wind turbine generator & other allied components for establishment of wind mills in various parts of the Karnataka, without jeopardizing the safety and security of the general public.

Now, therefore, in exercise of the powers conferred by clause (b) of sub-section (3) of Section 110 of the Motor Vehicles Act, 1988 (Central Act 59 of 1988) read with rule 2 of the overall dimensions of Motor Vehicles (prescription of conditions for exemption) Rules, 1991, the Government of Karnataka hereby exempt the 426 motor vehicles specified in the Annexure entering through Karnataka check-posts of Attibele, Nangali, Bagepalli, Gowribidanur, Humnabad, Jhalki and Nippani on to the places of establishment of wind mills for generating wind power, from the provisions of rule 93 of Central Motor Vehicles Rules, 1989 to transport the raw materials, rotor blades, nacelles, hubs, and turbine generator and other allied components by the above said organization for establishment of wind mill power projects, subject to the following conditions, namely:-

- (1) Such motor vehicle or class of description of motor vehicle shall;
 - a. Observe such load restrictions as the State Government may by order specify in this behalf;
 - b. Obtain the previous permission of such authority as may be specified by the State Government, in this behalf before putting such vehicles on the road;
 - c. Not, if they are loaded travel over such bridges and cross-drainage structures on the road, which the State Government may having regard to the safety of the road structures specify;
 - d. Where prohibited under Clause (c) to travel over the structure referred to in that clause, the owner or transporter shall at his cost make arrangements to cross the river in accordance with the directions given by the authority specified by the State Government in this behalf;
 - e. give advance intimation to such authority or office specified in this behalf by the State Government, regarding the movement of such vehicle;
 - f. Equip with necessary warning signal, such as flags in the day time, red light and reflection in the night so as to indicate the extreme position of the vehicle clearly;
 - g. Move without any hindrance to the normal flow of traffic,
 - h. Not exceed the speed limit of 16 kms. per hour.
- (2) Where any damage is caused to the roads or road structure directly or indirectly due to the movement of such vehicles, the operator of the vehicle or the transporter shall be liable to pay such amount to the state government as may be assessed by the public works Department or concerned Local Authorities in this behalf.
- (3) The State Government shall not be liable for any damage that may be caused to such vehicles or their contents through their transits.
